December 28, 2010

Dear 

Further to the December 1, 2010 letter from Commissioner Kerry Oristano, the County ended its contract with the state to administer the Section 8 housing voucher program effective December 31, 2010. Therefore, your employment with Westchester County ends on December 31, 2010.

This will advise you that your identification badges will be deactivated and your access to all County computer systems will be terminated at the close of business on December 30, 2010. Thereafter, you will not have access to County buildings.

Thank you for your service to Westchester County.

Sincerely,

Edward Boroughs, AICP
