Albany, NY 12205

Re: CSEA vs. Westchester County

Dear Mr. Curreri:

Despite the efforts of Mediator Zumbolo, the CSEA is requesting the immediate appointment of a factfinder.

As the negotiations have been ongoing since the 12/31/05 expiration of the collective bargaining agreement, the Union believes that the assignment of a factfinder is necessary to a settlement.

Yours truly,

Larry Sparber  
Labor Relations Specialist
