NEGOTIATIONS UPDATE

July 19, 2006

Early this month, the Negotiations Team met with the County Negotiator over 3 days (July 5, 6 & 7). This is a ***first*** for County Negotiations to start off this way!

We exchanged ideas on our initial proposal and theirs, which resulted in a new proposal from the County to which we responded to on July 12, 2006. We are awaiting a response to this exchange of proposals.

We are scheduled to meet again on Monday July 24, 2006.

We have no other information to disclose at this time and will post our update after the July 24th meeting.

It must be stressed that until we have a full contract package....***we have nothing!***

It is our hope and intention to move through this Negotiation as quickly as possible and will keep the membership aware of the progress to come to an acceptable offer that can be brought to you the membership to decide/vote on.
