Valuable Insurance Programs

- What would you do if you encountered an unexpected accident or sickness that caused you to miss weeks or even months from work?
 - When your sick time and savings are exhausted, how would you care for your important expenses?
- If you faced an untimely death, would your family have the financial means to cover your funeral costs?
 - How would you family compensate for your lost income?

These are just a few of many reasons why you should meet with your CSEA Insurance Representative.
