Reminders regarding co-pays for Health Insurance

Reminder #1:

Per our current CSEA contract, we are eligible for an annual physical in 2010, as well as in 2011, without paying any co-pays related to the physical.

Please enforce this clause, found on page 3 of our Fact Sheet (linked here) and page 30 of our current contract, by telling your doctor or by giving your doctor a copy of the Fact Sheet. **Per POMCO, the provider has to indicate "routine physical" as the service code description so POMCO does not include the co pay as a patient responsibility when processing the expense. Tell your doctor and the office staff.**

Effective January 1, 2011, the MEDCO prescription drug co-pay increases to these amounts:

Generic Drugs:	\$00.00
Brand Name:	\$25.00
Non Preferred Brand:	\$50.00
