Enclosed is a list of all Shop Stewards for CSEA Unit 9200. Those names that are in **red** and **underlined** have not taken the Steward Training since 2006, therefore they will be required to take the training in February 2010 if they wish to remain a Shop Steward. (Note: stewards must be certified by the unit president after the training is complete to become a "Certified Shop Steward")

We encourage all members to take the Local Government/Private Sector Grievance Training and the Local Government Discipline: Representing Members in Interrogations Training, so that they may represent members in disciplinary actions and/or a questioning.

Please contact the union office if your name does not appear on this list
