Subject: **Joint Westchester County/CSEA Safety & Health meeting**

As per the Collective Bargaining Agreement between the County of Westchester and CSEA Unit 9200, Employees of Westchester County, we are requesting a meeting of the Joint Labor/Management Safety & Health Committee. The CSEA Safety & Health Committee conducted a survey regarding issues members may have that will be addressed by this committee. One of the most frequent complaints was that of security.

The topic of the meeting is building security. Questions that we would like to have addressed are:

What are the standards for building security?

Why are there different levels of security from site to site and how are they determined?

What are the policies on rented vs. county owned buildings and the presence of Westchester County Police as part of their security?

Complaints and observations have been made regarding issues of security at:

420 North Avenue, New Rochelle

134 Court Street, White Plains

112 East Post Road, White Plains

We ask that you appoint individuals to the committee that have a scope of background and ability to independently discuss these issues.
